Please note your assigned Sunday.

If you would like a reminder call the week of your scheduled day, let Cindy know. Otherwise we will assume you know your date and you will be there.

If you are unable to keep your day, **please try to get a sub by calling one of the other counters.** If you are unable to get a sub, please let Cindy or Msgr. Powell know. Thank you very much.

The woman who inputs our contributions has requested that the counters **make a copy** of all **loose** checks from each Mass. This will insure the posting will be accurate.

I thank each of you for so generously giving of your time. It is a tremendous help and peace of mind knowing you are there to help on your assigned Sunday.

**THANK
YOU**

Msgr. Powell
